

Primary Over; Tax Rates Are Released

Lower Rates, But Increased Taxes Are Probable

Officials in the county building delayed until the primary Tuesday before releasing the tax rates for the country towns. There are many reductions in rates, but the average home owner can expect to pay taxes as high or higher than last year. Residents of the village of Arlington Heights where there has been big increases in assessed valuation, may have a smaller tax bill, but small reductions in rates in the rural districts are probably offset by increased valuations.

Any resident can figure out his tax rate from the tables given herewith, but he should wait until the tax bills are actually out before congratulating himself that he is going to save some money on his taxes.

Total Tax Rates

Northwest towns are fortunate in their tax rates compared to Chicago and some of the larger municipalities. Municipalities with modern improvements, such as parks, etc., can expect higher taxes. This fact should be kept in mind when comparing the rates of Arlington Heights.

Wheeling

A drop of 35c in the tax rate of Arlington's elementary school is due entirely to increased values fixed by the assessor. The rate of 1939 was \$2.00. The same amount of money was levied but the new rate is only \$1.65.

The same condition exists in the park district where there has been a reduction of 17c (from 60c to 43c) although the park board levied the same tax.

Arlington Heights tax rate has been reduced eight cents. This is partly due to a reduction in tax levy by several thousand dollars. With the increased valuation it appears that the municipality will receive more tax money than in previous years — and it will be more than welcome.

School district 22, known as Pal-Waukee school has a drop from 60c to 20c for 1939. With a surplus in its building fund, that district was able to retire all of its outstanding bonds last year.

Increased assessed valuations lowered tax rates all along the line in Elk Grove township except in a few of the school districts where major improvements are being contemplated.

School districts with increased rates are No. 56 from 54 to 85c; No. 59, from \$1.09 to \$1.70; and No. 32, 60 from 32 to 44. In some of these rural school districts there has been very little increase in assessed valuations.

Palatine Township

The sharp reduction in the tax rates of districts 13 and 18 is due to a cut in the building fund tax rate. Both districts made extensive building improvements two years ago necessitating increased taxes for 1938. With no need for further improvements the tax rate dropped. In district 13 no tax for building purposes was levied.

District 10 is faced with needed improvements and the rate on the little school on Algonquin road, near Barrington road, has jumped from 58c to \$1.07, still enjoying one of the lowest tax rates in northern Cook county. The rate for 1939 is 26c compared with 29c in 1938.

The small reductions in many of the taxing bodies of Palatine township is due to realty valuations, which have been increased.

War Picture Brings News Of Brother To Arlington Florist

Martin Goerger, florist on Higgins road, received from a niece, a Hollywood newspaper last week that contained a French war picture of his brother, Andrew, who fought four years during the world war on the German side and who is now with the French army fighting his old masters. Andrew who is a baker by trade, is shown teaching young recruits the proper method of cooking meat suspended on wires over a fire built in a hole in the ground.

Mr. Goerger has a younger brother, Celest, who was too young for the last war but is now fighting for France. The Goerger family home is Alsace Lorraine on the west side of the Ill river. He left his homeland in 1917, returning there in 1911 to be married. Neither Mr. or Mrs. Goerger have visited Europe since that time.

MISSIONARY SOCIETY ENTERTAINS PALATINE

The Missionary society of the M. E. church, Arlington Heights entertained the Palatine Missionary society at a pot luck luncheon on Wednesday afternoon in the church. Speaker for the afternoon was Mrs. Ralph Pierce, a leader in mission work in the area. She told of her recent trip to the southern part of the country where she visited the various missionary homes that are maintained by the Methodist churches.

Relief Tax Rate May Bring Difficulties

Owing to the \$900,000 increase in the assessed valuation of Wheeling township, the tax rate for relief is only 28c. The state relief agencies have repeatedly stated that there will be no state relief aid given townships who do not assess a full 30c tax.

Attorney Hugo J. Thal, who took the matter up with the county office Wednesday was told that the assessed figures that were given to Howard Helm, town clerk, who certified the tax levy, were correct at the time they were given and it is no fault of Mr. Helm that he did not ask for a tax levy sufficient to establish a thirty cent rate. The same condition has developed in other townships.

It is hoped that the state relief office will recognize the intention of the township and not penalize Wheeling because of its 28c rate. According to the report of Supervisor Gilbert Klehm published last week, the state contributed \$16,000 for relief in the township, which is more than half of its cost. The loss of that amount would seriously cripple relief here.

Firemen Offer Bride and Groom A Free Wedding, But Both Say "No"

There are two important events that are going to take place in Arlington Heights May 4th. All firemen are looking forward to their annual dance which will be held that evening in Arlington Heights field house. Invitations have been issued for the marriage on that same day of Jacob Bauer, employed at Arlington Seating Co. and Miss Bernice Brehm.

The firemen thinking that a contra attraction might hurt the attendance at their dance, have offered to provide the place, the minister and the crowd, if the wedding is held during the dance. The bride and groom say "no."

George Is Really Surprised This Time

George Volz, former Arlington Heights fire chief, was really and honestly surprised Saturday evening, when a crowd of the firemen in full dress walked into his home singing "Happy Birthday" and bearing many good things in the way of refreshments.

Mr. Volz had been told that some friends from Oak Park had phoned that they would be out to help him celebrate his 62nd birthday.

Enumerators Meet Pleasant Reception

Census enumerators in Arlington Heights and other northwest towns report that they are receiving a pleasant reception in their calls at the homes. Seldom does anyone hesitate to supply the information that is asked by the government.

Twenty-seven enumerators are engaged in the work in the townships of Barrington, Elk Grove, Hanover, Maine, Palatine, Schaumburg and Wheeling. They are: Angie B. Montgomery, Lillian M. Cizek, Deborah Nightingale, Jeanette Swanson, Earl J. Dunn, Frances Murley, Hugh A. Teal, Ruth H. Kent, Gladys A. Carson, Gertrude Seibel, Valborg H. Emerson, Dorah Bohne, Lillian M. Tosch, Mary E. Haberstick, Laura A. Fritz, Laura E. Klare, James C. Graham, Irene O. Jackson, Edith H. Kinder, Florence C. Gillen, William I. Nelson, Paul J. Boller, Edward D. Corcoran, Janet Holtzee, Bertha P. Schnell, Peter F. Conley, Anna Grady.

So far as is possible workers are assigned to other districts than their home town. They are provided with cards on which confidential information can be written and sealed in an envelope, if the individual so requests.

The Antics Of Andrew To Be Staged By Junior Walther League

The Arlington Heights Junior Walther League will present their annual play, one of Jay Tobias' great plays entitled "The Antics Of Andrew," April 12 and 14 at the Lutheran school hall at 8 p. m. It is a three act farce and the story is about a young college lad who was being sent through school by a rich uncle who lives in New Zealand. This uncle promised to increase his nephew's allowance considerably if he were to get married. Then the fun begins.

Andrew decides that he will write his uncle and tell him that he is married in order to receive the extra money. Everything is going along nicely until Andrew receives a surprise visit from his uncle. Tickets can be purchased from members of the Jr. Walther League.

Paul Carroll, chairman of ticket distribution, reports that tickets are now in the hands of all members of the Post. Tickets may also be secured in Arlington Hts., at Sieburg's drug store. Admission is 35 cents for adults and 20

cents for children. All tickets for children will be purchased at the door.

Everyone is urged to get tickets early and plan to treat themselves to two hours of rollicking fun. A complete cast will be given in this paper next week. Specialty acts may still secure cry-outs by calling Arlington Heights 485.

Legionnaires desiring tickets may secure them from Paul Carroll, telephone Arl. Hts. 142.

Trade and Civic Annual Dinner Next Wednesday

Is there a business man in Arlington Heights who would purposefully sidestep the annual dinner of the Trade and Civic Association that will be held in Presbyterian parish hall next Wednesday?

M. R. Watson and N. M. Latoff say "no" but to make sure that nobody misses an opportunity to be there, a barrage of tickets have been laid at 32 business houses. If any business man can side step such an army he deserves to miss the good dinner that will be provided by Presbyterian ladies. Here are the business men who have the tickets. If you see one of them coming your way, dig up two bucks and make the date with the wife.

A new character who promises to be an outstanding favorite in this year's production is Lillian Nightingale of Barrington, who will take the part of Miss Minerva Spindle, society editor of the "Happy Valley Breeze" and radio commentator, "Mike" Dobbins, well known in local circles will also appear in a character part.

Summing it all up, this Fourth Annual Legion Show will contain just everything from reminders of old Show Boat days to a musical wedding done in syncopeated time as the finale of the show.

The show is being produced under the direction of Miss Vivian Griffith. George Palmer is chairman of the local committee.

Paul Carroll, chairman of ticket distribution, reports that tickets are now in the hands of all members of the Post. Tickets may also be secured in Arlington Hts., at Sieburg's drug store. Admission is 35 cents for adults and 20

School Elections Saturday

New Candidates For Elementary School

Grade, rural and high school elections will be held Saturday. Elections in high school districts will be held between the hours of 12 o'clock noon and 7 o'clock p. m. Elections in rural districts will be at the hour specified in the election call.

Nominations for the village and high schools have previously been made and printed ballots are provided. In the rural schools, the voters are expected to meet in a caucus a half hour before the opening of the polls, when nominations can be made from the floor. The names of the candidates so nominated are written on the school black board, from which they can be copied by the voters on blank ballots.

No Change in Arlington High School

All members of Arlington Heights high school board whose terms expire this spring are candidates for reelection. They are Clarence I. Davis for president; Ralph E. Gould and Albert C. Haake as members. There is no opposition.

Messrs. E. Heller and Chas. Forsman, members of Arlington Heights elementary school board are retiring. Candidates to take their places are Robert R. Blackburn, 524 S. Highland, and James M. Sommer, 601 Burton Place. There is no opposition. Nathaniel Carlson is candidate for reelection as president.

Mt. Prospect

Election of President and two members of the Board of Education for School District No. 57, will be held next Saturday, April 13, at the public school building. The polling hours are from 12 o'clock noon to 8 p. m.

P. E. Salzman is the candidate for reelection to the office of President of the School Board for a term of one year, an office he has successfully operated for several terms.

Two candidates are running for election as members of the board, namely L. G. Johnson and P. J. Robinson.

In Palatine both the high school and grade school elections there are "bub tailed" tickets, that is, there is a position on each ticket for which no candidate has filed a petition.

In the high school the names of either John Powers or Arthur Plote, will be written in for the vacant spot.

A petition has been filed for Wm. Fremd.

Boys Outnumber Girls Two To One

The Freshman class at the high school are to have a party Saturday evening in the cafeteria of the high school when dancing will be enjoyed. Music will be furnished by Lee Martin's orchestra. Freshman girls should have no trouble finding dancing partners for there are two boys in the freshman class to each girl with an enrollment of 95 boys and 52 girls.

Northwest Lions To Entertain Ladies At Country Club

A Lions zone party for the members and their ladies is the big April event in Lionism for the northwest clubs of Cook county. The clubs of five towns are uniting on a zone party which will be held April 25 at Mt. Prospect Country club. The evening will start with a dinner at seven o'clock and be followed by dancing, cards and entertainment.

Advance sale of tickets is necessary and they can be obtained from officers of the local clubs at one dollar a plate. Clubs participating are Barrington, Palatine, Arlington Heights, Mt. Prospect and Des Plaines.

Republicans Stage Primary Homecoming

With the biggest Republican primary vote in eight years the northwest towns gave evidence at the primary Tuesday that Republicanism has returned to its own in the Busse balliwick. The Green-Lyons contest, however, did not bring out the size vote that the party chieftains expected. About as many voters stayed away from the polls as those who voted.

The total vote in Wheeling township was 2100, in Palatine 1148 and in Elk Grove 1032.

Lions carried Wheeling township over Green over two to one and Elk Grove nearly four to one.

Dwight H. Green and C. Wayland Brooks were named by Republican voters in Tuesday's primaries to head the November ticket as candidates for governor and senator, respectively.

The two standard bearers rode the crest of a Republican wave that pointed to a strong swing away from the New Deal to the G. O. P. fold.

G. O. P. Gain of 200,000 The estimated total Republican vote in the state reached approximately 1,000,000, or some 200,000 in excess of the 1938 primary total.

The Democratic total apparently will be upwards of 1,300,000, as compared with their 1938 primary vote of 1,744,005.

Piling up a tremendous victory for all of its candidates but one, the Kelly-Nash-Horner Democratic machine swept the state for Harry B. Hershey for governor, James M. Slattery for United States Senator and President Roosevelt as the Illinois Democracy's choice for a third term.

In the Democratic governorship race, Hershey, Henry Horner's personal choice to succeed himself in the executive mansion, amassed what looked like a 250,000 lead in Chicago and Cook County. Stelle did better downstate, but could not come closer than a ratio of two to three outside of Chicago.

Roosevelt Gets 86 Pct. of Votes In the presidential race, Roosevelt piled up somewhat better than 86 per cent of the expected 1,300,000 Democratic votes, but the minority votes cast for Vice-President John Nance Garner, who entered the Illinois preference primary to curb "third term" hopes, were held significant in that close to 14 per cent of Illinois Democratic voters registered opposition to the principle of a third term.

Women Over Forty
By C. W. Luissman
of Sieburg Pharmacy

Impetuous twenties, busy thirties, give way to turbulent forties, a period of stress and disturbance for women unless there is expert advice and treatment at this time.

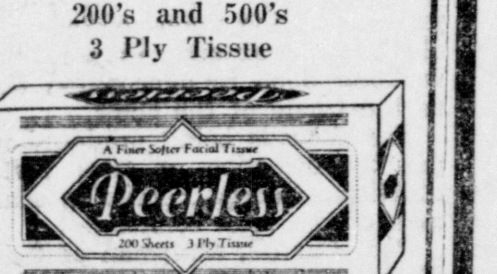

Whole families today rise up and call the good doctor blessed because through serum treatment he has calmed the nervous fears and physical alarms of their mother.

After all, the menopause is just another time of readjustment and every woman can take it in her stride, with a little help from her physician.

The wise physician is emphatic in his advice to patronize a reputable druggist for prescription work.

Speedy Flowing Glaciers

A glacier flows much like a river, except more slowly. One of the fastest-flowing known is the Upernivik in Greenland which has been found to have a velocity of 99 feet per day at one point. The Muir glacier, Alaska, has a velocity of about seven feet per day near tidewater. A world record for short-time glacial movements was set by the Black Rapids glacier, near Fairbanks, Alaska, in the winter of 1936-7. The glacier advanced five miles in four months with a speed average of 220 feet per day.

BOWLING NEWS of Northwest Alleys

Arlington— MONDAY NIGHT

by ROX BOLTE

Standings	W.	L.	Ave.
Stubby's Tavern	50	40	894
Gaare's Studebakers	48	42	907
Hartmann's Shoes	46	44	902
Arlington Cafe	46	44	895
Arlington Elevators	40	50	893
El-Rand	40	50	883

On alleys 1 and 2 the Gaare Studebakers won all three games from Hartmann's Shoes and are now in second place, two games behind Stubby's Tavern. Dixie Kehe was high man on Gaare's team with a nice 602 series. Dixie also won the \$1 with 213. Bud Peters was high man for Hartmann's with 556.

Next Monday Gaare's will bowl Stubby's for the lead.

On 3 and 4 El-Rand took two games from Arlington Cafe. The Cafe team is tied for third place with Hartmann's. El-Rand was tied for last place with the Elevators. High man for El-Rand was Al Pederson the south-paw. Al had games of 215-204-214, for a nice total of 633. Herb Hammerl was high man for Cafe with 567 and won the \$1.00 with 219.

On 5 and 6 Stubby's won two games from the Elevators. Both teams were battling to see who could shoot the lowest game, finally the last game Stubby's did it, they bowled 710. Both teams had a lot of rail roads. John Oltrogge was high man for the Elevators with 531. John Duthorn was high for Stubby's with 512. Ted Siemro won the \$1.00 with a 212 game.

By Eddie Timmerman

The Roller Mills team ended up the season with a bang by taking all three games from Karstens, putting themselves only 1 game out of first place in the final standing. Huber was high for the winners with 586.

Wagner's lost their chance to beat the Roller Mills out of second place by dropping 2 games to Hartmann's on 1 and 2. Harris was going good for Hartmann's getting a 622 series.

On 3 and 4 Sadecky's won 2 games from the Ford Motors team. Albright had a good series, leading Sadecky's with 583. Weaver's 563 was high for the Ford team.

In the final standings, Carl Huber leads the league with an average of 187. Dixie Kehe was second with an average of 186. But Peters, Geo. Harris, and Ted Meacham were 3rd, 4th and 5th in that order.

The boys are shooting a handicapper Friday night and that will end the league season, but there is always another year coming. There shouldn't be any trouble getting the same gang together with a few exceptions.

Mt. Prospect
The Busse Motor Sales won two games from the Busse-Bierman Hardware. "Honey" Niebuhr got his second consecutive 600 series, a 602, to lead the Garage. Roy Wille led the Hardware with 561.

The Cortez Cigars had an easy time taking two games from the Bornhoff Dairy. Marv. Hall was high for the Cigar boys with 580. Ray Sanders led the Dairy with 508.

Dutch's Tavern really rubbed it into the Busse Grocery and Market by taking all 3 games and cutting their first place lead to 1 game. Not being satisfied with the 3 games Dutch's also knocked off the Grocery's high series and high game. Wally Gosch showed the way for the Tavern boys with 620. Ralph Wille was high for the Grocery with 564.

Honor Roll: Wally Gosch, 199-204-157-620; W. Niebuhr, 212-202-188-602; A. Laurance, 224-171-204; M. Hall, 219-107-204; J. Jones, 209-174-207; E. Miller, 205-174-207; J. Ladendorf, 203-174-207; Ray Saunders, 200.

Paddock Printers End Schedule With 229 Pin Win From Libertyville

The Paddock Printers completed their bowling schedule Sunday at the Mt. Prospect alleys with a 229 pin victory over the Independent-Register team from Libertyville.

The sticks appeared to be "easy meat" for the Paddocks as every man hit the 500 mark with Nebel hitting a 580 high. Ralph's 237 score in the second game enabled the Arlington newsmen to garner a 943 tally, their high for the season.

Dolph was high man for the Libertyville team, scoring 517, just 3 pins ahead of Baker and Swan.

Hobby Show Entries Reveal Various Tastes Of Exhibitors

Many Thanks

In an effort to bring the subscription list of the Arlington Heights Herald up to date, a representative has been calling on those readers who are in arrears more than one year. Many of them have either paid the solicitor or agreed to call at the office. To these the publishers desire to say, "thanks."

To the others the publishers state that they do not want to stop the paper of any subscriber who may be temporarily unable to pay the subscription price, but they do not want to send the paper to any person who does not think it is worth the small subscription price of \$1 a year.

Evanston Woman Opens Beauty Shop in Heights

A new beauty shop, under the management of Catherine Steger of Evanston, will open next Monday in Arlington Heights at 19 West Vail Ave. A special opening week announcement is contained in this issue.

Judging from the hobbies already entered for the Arlington Heights first Hobby Show to be held Friday, April 19, from 7 to 10 p. m. at the North School, the show will realize the committee's hopes of becoming a real community project supported by every resident, either as an exhibitor or spectator.

Everything from little Junior's airplanes to Grandmother's quilt will be exhibited and parents and children as well as teachers and students will vie with each other in displaying their hobbies.

Among the student entries is the stamp collection of James Scherf, 7th grade, which numbers over one thousand and covers many different countries. James started his collection when he entered school through the inspiration of his father, who is also a stamp collector. Edward Hoffman, an 8th grade student, whose hobby is building model boats, will enter copies of the Mayflower, a freighter, a cruiser and the Clermont, the first steamship built by Robert Fulton. Edward does all the work on his models himself from drawing the original sketches, shaping the hull from white pine, making the railing, rigging and sails down to the final painting job.

Adult entries include Mr. Arthur McElhose's collection of domestic butterflies and moths which is considered one of the most complete in the United States. Over a forty year period he has assembled about 3,500 specimens, ranging from the humble household moth to the most exotic butterflies that inhabit the swamps of Florida.

The antique pudding moulds which will be exhibited by Mrs. J. E. Brown are made of copper lined with pewter or tin. The marks of the makers on them show that they were made in Sweden, France, Germany and England. They are of two types, those of conventional design and those of non-conventional design which are shaped like fish, animals, birds or flowers. For example she has a pig, an eagle, a bunch of grapes, a dolphin, a daisy, a moon face and a pile of coins among the designs in her collection. Moulds of this kind were pictured recently in an article in the American Home Magazine, written by Laura Lee Clements of Kenilworth, who has herself collected 300 of them. One of the oldest in Mrs. Brown's collection, dated 1814 and made in Sweden, was originally a wedding gift judging from the initials engraved on it.

Mr. Frank Jahn will exhibit his "Railroaders" which consists of prints and photographs of locomotives of all times, books of railroad history and even a spike from the Palatine, Lake Zurich and Western Railroad which has long since been abandoned.

Residents of the Altheim (Lutheran Old Peoples Home) will display their hobbies of various kinds of handwork which include quilts, old fashioned pin cushions, framed embroidered medallions, dolls made out of old socks and poodle dogs of crocheted yarn.

The committee in charge, which consists of Dr. Leo A. Desjardins, chairman, Mrs. B. H. Jarvis, Mrs. Ross Richards and Mr. Albert E. Gibas, urges that all hobby enthusiasts who have not yet filled out entry blanks do so now that plans may be made to accommodate all exhibits.

Rev. R. J. Kalwitz Of St. John's Will Address Synodical Conference

From Wednesday until Friday of this week, the North Illinois Synod of the Evangelical and Reformed churches will meet in synodical conference in Immanuel Evangelical church, Hammond, Indiana. St. John Evangelical church of Arlington Heights will be represented by its pastor, the Rev. R. J. Kalwitz, and lay delegate, Mr. Willard Landmeier. Mr. Landmeier will serve on the nominations committee while the Rev. Kalwitz will deliver a brief address to the conference as well as serve on the Christian Education and Youth Work committee. The North Illinois Synod includes 178 pastors and over 50,000 adult lay members.

Softball Meeting Called At Ray Hayes Next Tuesday

The first meeting of the Arlington Softball League managers and officials will be held at the home of Ray Hayes at 409 S. Hildreth ave. next Tuesday at 8:30 o'clock at this meeting, which is open to managers of teams which played in the league last year, plans will be made for organizing the league for the 1940 season.

Managers desiring to enter teams in the league should get in touch with Ray Hayes, or with Gus Heidorn at Heidorn's Sweet Shoppe.

New Girl's Ball Team

Arlington Heights girls' baseball team got under way at a meeting held at the home of Paul Tossman, Monday. The meeting consisted of the election of Violet Buncik as captain, and Florence Proebstle as treasurer of this year's team.

White gaberdine slacks and blue-trimmed white satin blouses are the uniforms picked by the girls, and to be bought by the business men of Arlington Heights.

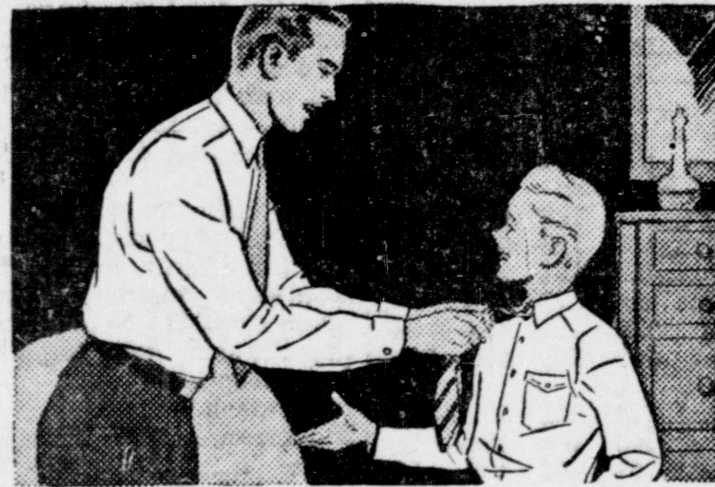

Weather permitting, there will be a practice this Thursday at the Recreation Park at 5 p. m. sharp. Any girls who desire to join the girls ball team report at the Recreation Park Thursday, or get in touch with the new manager, Paul Tossman.

Today With "Eddie"
At The Oven**

Eleanor's Bake Shop located in the Best building, opposite Landmeier's hardware store opens for public patronage this Thursday morning. A sack of cookies will be given away with every purchase on opening day.

Edw. Labantschnig (known as "Lobby") will be the man at the oven who is returning to his trade

after several years employment by Arlington Elevator and Coal Co. Employees of the latter, with the proprietor gave Edw. a farewell send-off March 30, presenting him with a gift and best wishes in his new business venture.

Eddie was previously employed as a baker and has desired to return to that vocation for some time. With the closing of the former Arlington bake shop, Ed. saw his chance to make his dreams come true. Special for Saturday will be Danish coffee cake.

**Leonard Applequist,
Of Aurora, Speaker;
Legion Posts Invited**

Leonard Applequist of Aurora, past commander of the American Legion Department of Illinois and well known in middle west Legion circles, will be the principal speaker at the monthly dinner meeting of the men's club of the First Presbyterian church, Arlington Heights, Friday, April 19. The dinner will be held at 6:30 p. m. at the parish hall. Mr. Applequist's subject will be "Americanism and What It Means to You."

Because of the importance of this subject at the present time when European nations are again at war, unusual interest has been shown in the meeting. Legionnaires from Arlington Heights, Barrington, Palatine, Mt. Prospect, and Des Plaines have been invited to attend.

Mr. Applequist served overseas with Company B, 6th Engineers,

LEONARD APPLEQUIST, past commander of the American Legion of Illinois, will speak on "Americanism and What It Means To You" at the Arlington Heights Presbyterian Men's club, April 19.

and was wounded in the Somme Defense in April, 1918. He has served as post commander of Aurora Post No. 84, Grand Chief de Gare 40 et 8 of Illinois, later as commander, Department of Illinois, and at present is chairman of the Americanism Commission, Department of Illinois.

Reservations can be made by calling C. B. Jones, 651-W or I. J. Tesch, 574-R.

A girl's trio composed of Mary Ann Eiler, Marian Hardtke, Lois Bokelman, will sing several numbers accompanied by Marjorie Moodie. Clarinet selections will be given by Harold Nebel and Jim Scott.

**To Give Address
At Mount Prospect**

The Rev. John Heuss, Jr., one of the outstanding younger clergy in the Chicago area, will speak on the subject "Why Be An Episcopalian" next Wednesday evening at 8 o'clock in St. John's church, Mount Prospect. This is the third in a series of addresses sponsored by St. John's church and is given for the benefit of non-Episcopalians.

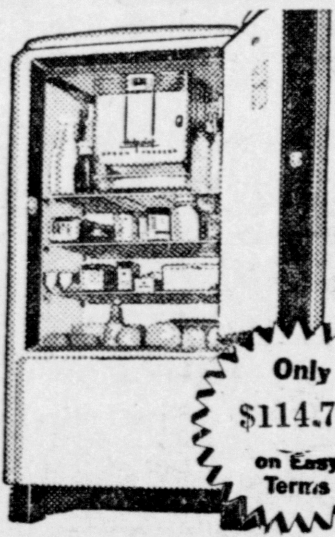

Fr. Heuss was formerly assistant at St. Luke's Pro-Cathedral, and three years ago came as rector to St. Matthew's church, Evanston, which, under his direction, has grown in communicants from less than one-hundred to more than three hundred; the church school average attendance has increased from 15 to 325 students.

Next August, Fr. Heuss will be awarded a degree in public speaking by Northwestern University, having already received degrees from St. Stephen's College, N. Y., and Seabury-Western Theological Seminary, Evanston. He has also studied in the Universities of Colorado, and in the Universities of Berlin, Cologne, and Frankfurt, Germany.

During Holy Week, Fr. Heuss gave the noon-day addresses at St. James' Cathedral, Milwaukee, and will give this year's commencement address at the fashionable Hastings-on-the-Hudson School, N. Y., where he was once a student. He is a member of the Lions' club and is one of Evanston's most active and enthusiastic golfers.

**Installs Sheet Metal
Machinery In Former
Garland Building**

Arlington Heating and Sheet Metal Co. is Arlington Heights' newest business firm. Carl Engel is the manager. The shop is located in the former Garland building east of the Arlington Seating Co. The latest machinery for handling sheet metal has been installed and other shop equipment is in place which places the shop on a par with the largest in Chicago suburbs. There is ample space for the laying out of work and several jobs can be in process at the same time. Included in the machinery are a number of power driven units that will speed up the work and cut usual labor costs.

Mr. Engel is no stranger to Arlington Heights. He resides in Mt. Prospect and has done considerable work around Arlington and in the vicinity of Barrington. With a centrally located shop in Arlington Heights, he expects to be in a position to extend his operations. The company will sell and install practically every kind of air conditioning units and will also do gut-

ter, blower pipe, gravity furnaces and repair work in the sheet metal line. As Mr. Engel expresses it, "scientifically installed air conditioning units are in increasing demand and I have the experience and plant to give to my customers the highest class of work."

**Higgins-Canfield
Lutheran Church To
Dedicate New Gym**

The congregation of St. Paul's Lutheran church at Higgins-Canfield, will dedicate its new gymnasium with a special service Sunday afternoon at 4:30 o'clock. Music will be furnished by Elmhurst band. A supper will be served to all who attend the service.

A banquet honoring the men who had a part in the erection of the new building will be served Wednesday evening, April 17, which will be followed by a basketball game between two teams from River Forest seminary.

The first play to be presented in the new building will be "Flying Feathers" by the local Walther League, April 19, 20 and 21.

The new gymnasium is 35x55 and includes a stage and kitchen. Last August a fire partially destroyed the school house, the upper floor of which was a hall. The latter was removed, the school building reduced to one floor and a new cement block gymnasium erected in front of the school. A large part of the labor for the gymnasium has been donated.

"Big News" Now?**

Big News

When better automobiles are built Buick will build them

YOU can figure it out for yourself from what you see in daily traffic and what you hear when the talk turns to automobiles.

Buick's pacing the pack. Has been for several years.

It called this year's style turn a year ago. It set current performance standards in '38 with its Dynaflex engine. It still leads the crowd for riding qualities with its BuicOil

Springing, now in its third year.

So where's a more logical place to look for next year's "big news" than in this year's big and roomy Buick?

It may be smoother engines. Buick is the only car that now balances power plants after assembly.

Coil springs all around may come. Buick's never need lubrication, are practically indestructible, and even cut down skid-risks.

You get all of these things now in Buick.

Get them with the plus of Buick quality of materials and workmanship—get them at a price that suggests a six instead of an eight.

So it's easy to start enjoying future "new features" right now.

Just go try a Buick. Look it over, inside and out. And get the prices.

Even if you've been buying in the lowest-price field you'll find it takes less than you think to step up to a Buick. Prices begin at \$895* delivered at Flint, Mich.; transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

**You get a "Good Deal" Two
Ways from Your Buick Dealer**

A good "deal" when it comes to old-car allowances—and a whole of a lot of automobile in your new Buick. See your dealer and find out for yourself.

Maybe it'll be heavier frames — Buick has the heaviest of any car of its price. Or maybe many of the "extra touches" Buick so freely applies — safety-latches on rear doors and Two-Way Direction Signals with automatic cut-off.

"Best buy's Buick!"

Mr. and Mrs. Peter Schmidt Observe Golden Wedding

Mr. and Mrs. Peter Schmidt of Wheeling celebrated their golden wedding Tuesday. The happy couple were guests of honor at an anniversary supper prepared for them by their nieces and served in the Presbyterian church basement at 6 p. m.

The tables were beautifully decorated for the occasion. The menu of the delicious supper included chicken salad, ham, potato and fruit salads, hot rolls, coffee, relishes, ice cream and was crowned with a huge wedding cake with all the customary adornments.

Guests at the supper were Mr. and Mrs. Peter Schmidt, Mr. and Mrs. Wm. R. Landwehr, Mr. and Mrs. Edw. Landwehr, Mr. and Mrs. Louis Schmidt and daughter, Mr. and Mrs. E. R. Griese, Mr. and Mrs. Robert Landwehr, Robert Jr. and Nancy, Mr. and Mrs. Harold Geiger, Mr. and Mrs. Wm. Steuber, Mr. and Mrs. Art Bucher, Mr. and Mrs. Art Landwehr, Arthur Jr. and Ardiss, Mr. and Mrs. Volney Landwehr, Mr. and Mrs. F. Raber, Dr. and Mrs. H. G. Reid and the Rev. and Mrs. D. C. Morrison.

After the supper a short time was spent in singing the old favorites of 50 years ago. The party then adjourned to the Schmidt home where the remainder of the evening was spent in reminiscing and social fellowship.

Before the guests departed refreshments consisting of ice cream and cake were served. The bride couple received many beautiful flowers; roses, sweet peas, tulips and an exquisite orchid brought for a bride corsage by one of the guests. Lovely gifts included a three-way light floor lamp, an electric chime clock, vase, generous cash gifts and many attractive greeting cards bringing beautiful sentiments of congratulations from many friends and relatives.

Remember the Circus Jamboree, Masquerade and Hard Time party being held at the gym on Friday evening by the Recreation club. A big night of fun for 25 cents. Masks may be secured at the door and provision will be made to keep your identity a secret as long as you wish. Frank Ortel will furnish music for dancing and for those who prefer there will be cards. The grand prize drawing will be held at 11 p. m. when the Electric Rooster and Cabinet will be presented to the holder of the lucky number.

The Chamber of Commerce is planning for a party for all those who worked at the annual Wheeling day celebration last summer. The party will be held in the Community gym on Saturday evening, April 20. The Chamber of Commerce intends in this way to express their appreciation to all who contributed to the success of the celebration. Invitations are being mailed out by the committee who are anxious that none should be overlooked. In case you, or some one else you know of, does not receive an invitation and has a right to one please contact Mr. Fred Car-gill, chairman.

Miss Marilyn Miller entertained two of her college friends at her home last week-end.

Mr. and Mrs. Jas Bailey are moving into the home they recently purchased, the former Roy Smith residence on Morse ave.

The annual election for one school director of Wheeling public school will be held at the school on Saturday evening. Mr. Cloice Wieder is the director whose term expires. Mr. Wieder is also a candidate for re-election.

Chief Lesch Conducts Driving Class

A special meeting for local motorists was called at the Wheeling village hall by Chief of Police Ray Lesch and the police committee last Friday evening and was attended by twenty-five drivers. The purpose of the meeting was to encourage more careful driving on the village streets.

The chief gave a good common sense talk from which all drivers of cars could profit. Points especially emphasized were:

Keep your car mechanically safe, watching your tires, lights, windshield wipers, brakes, etc.

Never pass on a curve or crest of a hill.

Regard stop signs, stop and go lights and danger signals at all times.

Always signal before making turns, slowing down or stopping. Regulate your speed by the condition of the roadway, traffic, light and weather conditions. Give the pedestrian benefit of the doubt.

The chief of police asked for closer cooperation from all local drivers in obeying traffic regulations. Unless people in the village are willing to set an example, it is not fair to expect our police force to penalize transient motorists. Let's all get behind our police and help keep our town safe.

Wheeling Chapter O. E. S. are holding a public card and bunco party in the Community gym on Friday evening, April 26. Watch for further notice next week.

The spring meeting of the Community Board will be held next Tuesday evening at the school. All organizations of the community are urged to have their representative present.

The John Allen family are moving into the flat vacated by the Baileys.

The former William's Market is to be occupied by a Beauty Shop in the near future. The proprietor of the shop will live in the William's flat being vacated by the Allens.

The Frank Johnson family motored to Janesville, Wis., on Saturday, where they spent the day with relatives.

The annual meeting of the congregation of the Presbyterian church was held last Tuesday evening following a fellowship supper. Reports from various heads of the church were read which marked the 75th anniversary year of the church as one of the strongest in its history for which the congregation is truly grateful. The following officers were elected: Elders, Mrs. George Allison, A. L. Schwab; trustees, A. A. Fassbender, Frank Utpadel, Herbert Barrett; treasurer, Mrs. A. A. Fassbender.

Frank DeBelles, formerly of Wheeling and now living in Chicago, was a business caller here on Saturday.

Mr. A. A. Fassbender recently purchased the Wendling property adjoining his own, and is making improvements on the same.

Northfield Couple Celebrate Thirty-fifth Wedding Anniversary

Mr. and Mrs. Wallace Mayer of Northfield celebrated their 35th wedding anniversary Saturday evening with a party given by their daughters. About sixty guests attended. Cards and dancing and refreshments provided entertainment for the celebration which was held in the Girl Scout cabin at Northfield.

The infant daughter of Mr. and Mrs. Homer Cokenower received the rite of Christian Baptism at the Presbyterian church last Sunday morning. Little Luella Mae was attended by her parents and her sponsors, Miss Lorraine Bradford and her fiancé.

The Ben Becker family of Jefferson Park, were week-end guests of the Kraus family.

Mrs. Marbet, of Glencoe, and Mr. Straub of Northbrook were Sunday callers at the Wright home.

Mr. and Mrs. Henry Grandt entertained their card club last week. First prizes for the evening went to Mrs. H. Gemmill and Otto Utpadel with Mrs. H. Grandt and Fred Utpadel taking seconds.

Horn of Plenty

According to mythology, the infant Zeus was fed with goat's milk by Amalthea, one of the daughters of Melisseus, king of Crete. Zeus, in gratitude, broke off one of the goat's horns and gave it to Amalthea promising that the possessor should always have in abundance everything desired. This gave rise to the expression, "horn of plenty."

MUSIC RECITAL BY CLARENCE A. PERRY PUPILS, DES PLAINES

Working Students Need Social Security Numbers

Social Security account numbers will be needed by students working after school or during vacation periods, Miss McGuire, manager of the Evanston field office of the Social Security Board pointed out this week.

Full or part-time employment in stores and shops, or at summer resorts and other vacation points is covered by the Social Security Act for Old-Age and Survivors Insurance purposes. Employers must report each employee's number to the Collector of Internal Revenue as well as the amount of wages paid to the worker.

Those without a Social Security account number may obtain one by applying at the nearest office of the Social Security Board located at 1603 Orrington ave., in the State Bank and Trust Company building, Evanston.

Spelldowns For Rural Schools Start Next Week

Township spelling contests for Cook county schools will be held next week in which each school may send two delegates to the district assigned by Noble J. Puffer, county superintendent of schools. Winners from these township contests will meet in a final contest, April 27, conducted by Mr. Puffer. Two from each township will be chosen to compete on this date.

A penant will be awarded in each township to the school winning the contest and badges will be given to winning contestants.

Winners of the township contest compete for the gold, silver and bronze medals, and school banners at the finals.

George C. Butler, assistant county superintendent of schools, has announced dates for the following townships in division one: Palatine twp., April 15, 1:30 p. m. at Deer Grove school, dist. 12. Home Show Will Honor John Payne's 'Home Sweet Home' The Second National Anthem

Newlyweds Of 1940 Will Get Tickets From This Newspaper

1940 Brides are advised that next Monday is the last day when they can apply to this newspaper for free tickets for the Home Show. Newlyweds and engaged couples will receive tickets from the National House and Garden Exposition the latter part of April.

"Mid pleasures and palaces, though you may roam, be it ever so humble, there's no place like home." Americans, especially, might call "Home Sweet Home" the second National Anthem. Except for "The Star Spangled Banner," no other song holds a place as high in the esteem or as deep in the hearts of home-loving Americans.

Yet, strange to say, little has been done to reverse the memory of John Howard Payne, the man who wrote the ballad that has brought such joy to the hearts of Americans.

All home lovers in the Chicago area, however, will have a chance to pay their respects to his memory during the fifth annual Home Show of the National House and Garden Exposition at the historic Chicago Coliseum May 4 to 12, inclusive.

Special ceremonies and a special "home" exhibit in honor of Payne are being arranged by John A. Servas, managing director of the Home Show.

"No one is more entitled to such tribute at a Home Show than is John Howard Payne," Servas said. "By his beautiful ballad, Payne has enshrined in the hearts and the minds of untold millions of Americans the true significance of the word 'home,' which has no counterpart in any other language. 'Home' does not mean 'house.' 'Home' means a heaven-on-earth of joy, happiness, mutual trust and respect."

The John Howard Payne Memorial Exhibit will consist of the famous composer's portrait surrounded by a comprehensive array of "home" pictures, many of which will be chosen from the thousands of photographs entered in the Home Show's amateur photographic contest.

Correct Glasses

IMPROVE YOUR APPEARANCE

Ugly spectacles have gone the way of hoop-skirts and mustache. No longer need one shun glasses because they detract from appearance.

Nowadays, eyewear is designed like fine jewelry—delicately and gracefully. There are styles to blend with every shape of face—styles that are inconspicuous and becoming.

Come in and see these distinctive glasses. And if your eyes haven't been examined recently, do that now, too.

THE LOVELIEST CHIFFON PIE OF ALL

It was a lemon pie that started the style. I mean the vogue for chiffon pies. That was quite a few years ago when some enterprising cook thought of the idea of folding the meringue into the pie filling instead of piling it in a frothy mass on top of the pie. The innovation took like wild fire—and it wasn't long before we began meeting all sorts of these frothy, frivolous, light-as-air chiffon pies such as—chocolate, pumpkin, pineapple and even caramel. But the very loveliest of all, it seems to me, is this strawberry chiffon creation. It looks as fluffy and pink as a sunset cloud. And what's even more important, it is ever so refreshing and delightful to eat.

STRAWBERRY CHIFFON PIE

One cooled baked 9-inch pie shell
1 tsp. gelatin
1/2 cup cold water
3 eggs
3/4 to 1 cup sugar (depending on sweetness of berries)
1/2 tsp. salt

Soak gelatin in cold water (about 5 minutes). Beat egg yolks slightly in top of double boiler. Blend in 1/4 cup of the sugar, the salt, and the lemon juice. Cook over hot water (stirring constantly) until smooth and thickened (5 to 10 minutes). Blend in the soaked gelatin and crushed strawberries, and beat with rotary beater until thickened. Move from heat. Beat mixture with rotary beater until smooth. Make a stiff meringue by beating egg whites with cream of tartar until stiff enough to hold a point, then gradually beating in the remaining sugar—continuing beating until mixture is stiff and glossy. Fold this meringue into the strawberry mixture and pile lightly into cooled baked pie shell. Chill in refrigerator until "set" (about 1 1/2 hours). Keep cool until ready to serve. If desired, spread stiffly whipped cream over the top of the pie and decorate with a ring of sliced berries around the edge.

PASTRY FOR ONE-CRUST PIE

1 cup sifted all-purpose flour
1/2 tsp. salt
1/2 cup shortening
Ice water (2 to 3 tsp.) (just enough to make dough stay together)

Sift flour and salt together. Add most of shortening to flour... cutting it in with pastry blender or 2 knives until mixture looks like meal. Then add remaining shortening... cutting it in particles the size of giant peas. Sprinkle water lightly over mixture... blending it in until dough can be just pressed together into a ball. Roll out to fit pie pan on lightly floured cloth-covered board. Place loosely in 9 inch pan... leaving 1/2 inch extending over edge of pan. Build up fluted edge. Prick thoroughly with fork to prevent puffing. Chill thoroughly. Bake 10 to 12 minutes in a very hot oven (500° F.).

There are other flowering trees of note, but using the above mentioned will break the monotony of the garden, and of the life of the census taker.

Next week we will discuss some of the outstanding flowering shrubs.

or dimmed.
6. A vehicle entering or crossing a street or highway protected by stop signs must make a full stop at the right of way line and, regardless of direction, shall give the right of way to vehicles on the through highway.

7. Vehicles have the right of way over pedestrians only where there is no marked or unmarked crosswalk, along rural highways, where there is a pedestrian bridge or subway, and over pedestrians crossing against a red traffic light.
8. The driver of a vehicle involved in an accident resulting in the injury or death of any person must forward a report upon the official form to the Traffic Engineer, Division of Highways, Springfield. If he is physically unable to report, any other occupant of the vehicle shall see that the report is made.

It Happened Here

Well, the census taker has been and gone; his opening question was, "Did you make this lace table cloth?" He didn't ask for the pattern but it was his first day and we couldn't have obliged him, anyhow. Which reminds us, Jim, the laundryman, brot a sample of his handiwork along with the laundry to show us what he was doing in sofa pillow covers and rugs. The sample of a pillow cover looked as tho he had saved the clippings from a very shaggy tan Pido and hooked them into a canvas foundation. "That's what I do in my spare time, evenings, you know; it's a rest and takes my mind off my work — good for the nerves. I've just finished a kitten playing with a ball." It's like having a medal bestowed to have Jim, the satirist, bring us a sample of his fancy work. Edward rescued a lady in distress by retrieving her flustering five dollar bill from the I. C. right-of-way under the amused gaze of the passengers waiting on the platform some or whom shouted helpful directions, "There it is, kid," and so on; and then the helpful motorman opened his door so that the knight errant, cap-a-pie in derby and overcoat, had to climb up, ala brakeman, from the wrong side of the coach. "What did you mind the most?" asked his spell bound home audience. "Well," said Edward cautiously, "I think it was when the lady offered me a quarter for my pains." April started in with a grand house cleaning; she started her WPA thermals and out goes all the snow; she opened every window and great gusts of wind blew the inside out, and the other night she got to thump-and-thundering around overhead, a-cleaning out the attic, and what with the rumpus and her rolling casks and barrels

County Schools To Share In Building Maintenance Clinic

A Building Maintenance Clinic for school officials and janitors in Division Two of Cook County, will be held at the Northbrook high school Thursday, April 25, at 7:45 p. m.

Noble J. Puffer, county superintendent of schools, will be present to open the clinic. The services of leading authorities in the field of building maintenance have been secured to deal with policies and problems pertaining to maintenance, heating, ventilation, purchasing, managing of supplies and staff relationships. School officials and janitors from schools in the Division will speak and participate in the group sessions where practical aspects of building maintenance are to be considered.

All board members, janitors, business managers, purchasing agents, superintendents, principals and teachers of the one and two room schools will meet at this clinic to contribute and share in the helpful results which the committee anticipates.

We Can All Enjoy Classical Music

THE mistaken idea of the "difficulty" of symphonic form and fear of classical music have kept many individuals from a richer enjoyment of life, in the opinion of Oscar Levant, famous musician and composer, who writes a music clinic for Good Housekeeping Magazine.

In the April issue of the magazine, Mr. Levant discusses the comparative methods used by modern composers and the methods of such well-known impressionists as Debussy, Ravel and Strauss. For example, he points out two of the most popular songs of the past year, "My Reverie" and "The Lamp Is Low." The former was based on a Debussy piano piece and the latter is lifted almost literally from Ravel's Pavan for a Dead Princess.

Records recommended by Mr. Levant for those who would like to build a music library and learn to understand as they build include Serge Koussevitzky's direction of the Boston Symphony Orchestra in Beethoven's Second Symphony, Gieseking's recording of Reverie, and the orchestral version of the Ravel Pavan.

Yellow 'Blackboards'
Blackboards are being abolished in a school at Torquay, England, and replaced by yellow ones, on which teachers will use dark blue chalk. It is claimed that the yellow board prevents eye strain and children can copy notes onto white paper more quickly.

Concealing Bad Room Proportions
Wall and ceiling tints to conceal bad proportions and accept the feeling of space are now being generally used by home owners. Light colors, those mixed with white, tend to create a feeling of space and should be used as groundwork when this effect is sought. A gray background throughout the house, brightened with light shades of yellow, pale green, coral, or similar tints, will give a sense of space, and normally dark rooms will appear brighter. If the house is too large and appears empty, the action should be reversed. Dark shades, warm glowing colors, should be used to draw together an oversized room.

Arlington Track Squad Made Up Of Underclassmen

Cardinals Invade Palatine Friday; Frosh-Sophs Meet Bensenville

Over sixty boys are working out daily at Arlington in the endeavor to rebuild a track squad capable of representing the Cardinals in the sport this spring. Handicapped as they are by lack of facilities to practice, the boys are doing their utmost to get into shape for a strenuous outdoor campaign. As usual, they are weeks behind most of their competitors at this time of the year since weather conditions do not permit outdoor practice this early.

Another source of worry is the fact that there are few upper classmen on the squad. There is a fine group of Frosh and Sophs, a fair sprinkling of Juniors, but only a handful of seniors out. This makes the future look promising but doesn't make the prospects for this year look so good. Five Seniors, 14 Juniors, 19 Sophs and 24 Freshmen have reported so far.

Briggs and Heinze in the hurdles, Milligan in the shot, discus and high jump, and John Harth also in the high jump are the only ones who so far have shown definite promise. Gehring and Heidemann have good possibilities and with more work will quite likely turn in many a point for the Cardinals before the season is over.

Some of the younger boys who look especially well are Niemeyer and John Rodgers in the distance events, Behrens and Bowlin in pole vaulting, Bolte in the hurdles, Kamps, Morici, Wilton and Nebel in the sprints. There has been little opportunity to get a line on the rest so far.

This week the Cardinals face Palatine in a dual meet at Palatine on Friday, and the Frosh-Sophs go to Bensenville for their first competition this Saturday morning. Arlington will be hard pressed to come out with a win over either of these teams.

Cage Prospects Brighter For Cards Next Year

Jack Peters Named Honorary Captain By Lettermen

This past week those boys who earned basketball letters playing for the Cardinals at Arlington, during the season just closed, elected Jack Peters their honorary captain for the year. They couldn't have done better for he earned the respect and admiration of his opponents as well as that of his teammates by his clean aggressive playing. Probably no one on the entire

Mac Says-

by GERALD A. MC ELROY

Emphasis upon the relay events in the Palatine relays will be even more pronounced this year since the points have been doubled with 10 for first place instead of the usual five. The class B schools will probably not take much chance on winning points in the individual mile and 440 events this year since they would have to compete against "A" schools and get only half as many points for their efforts as by having their star runners bolster their strength in the two mile and medley relays.

Three Record Holders Return

Champions in the individual events in the 1939 meet who will be returning to this year's meet April 27 are Dahlin of Geneva, record holder in the 440; Wilson of Crystal Lake in the mile run; Morrison of Naperville in the pole vault; and Zedrow of Naperville in the 100 yard dash. Vynalek, who set a new low hurdle record in the preliminaries last year will also be back. Zedrow set a new record in the 220 but that event has been dropped this year.

Second place winners returning will be Albrecht of Naperville in both hurdle events; Deoudic of Naperville in the shot put; Nichols of Naperville and Schneider of Naperville in the high jump; and Wilson of Crystal Lake in the 880 which has this year been converted into a two mile relay.

squad worked or trained as conscientiously as Jackie. The election was a popular one.

The "A" club awarded major letters to the following ten boys: Peters, Warren Henken, Daune Folkman, Fred Kehe, Bob Busse, Ben Thoman, Ed. Schulenberg, Bill Hull, Ed. Mueller and Herman Becker. Numerals were awarded to Bob Heinze, Ralph Hauptly, James Millay, Tom Jarvis, Orville Bolte, Joe Morici, John Harth, Dick Busse, Bob Schwolew, Harold Vetter.

Managers letters were voted to Joe Smart and Clarence Niemeyer.

For the first time in several years it looks possible to feel optimistic as to the prospects for the next season's basketball team. For several years the material was definitely not there. While next year's team is not expected to be a world beater, it can be quite certainly much better than those of the past three or four seasons. Arlington's weakness for several years has been inability to score. There are several boys coming back for next year's team who can and no doubt will be able to score heavily. Schulenberg and Mueller will be playing their third year as "heavies." Both were excellent scorers at times this year. They are expected to return "arrive" next season.

Becker, John Harth, Bob Heinze and Ralph Hauptly played enough heavyweight ball this season to show that they can be depended upon for first team duty next season. Becker, Harth and Heinze are a scoring trio and should fit in nicely with the two veterans, Mueller and Schulenberg.

Hauptly was used at center and back guard. No doubt he will fit into the latter post in fine shape where his height will be a real asset.

There are enough other boys coming up from the "lights" to round out a squad that will be right up there next season if all goes well.

Palatine Juniors Win Interclass Track Meet

Leyden called off Friday's meet at Palatine due to lack of practice so the Pirates staged an interclass meet. The records made indicate that Palatine is fairly well advanced in track training for with but one exception all the marks were better than those made by winners in last year's dual meet with Leyden which took place on April 21.

Mervin Fink of the seniors was high point man, scoring 23 points to give his class a total of 63½ points as compared with 70 for the winning juniors. No mile run was included in the program of events.

Bisons Pile Up 68 Points To Cards 46½

Results:

Bensenville 68.
Arlington 46½.
Riverside 45½.

Arlington High's trackless track squad inaugurated its 1940 season by absorbing a defeat at the hands of Bensenville last Saturday morning. In turn, Arlington finished a point ahead of Riverside from the west suburban teague in the triangular competition.

Coach Trapp of Bensenville has assembled his best group of cinder and field artists in the history of the school. Led by Speckman, crack sprinter, who led the scoring with three firsts for 15 points, Bensenville piled up 68 points to outdistance Arlington with 46½ and Riverside with 45½ points.

Speckman won both sprints and his speed was his big asset in coping the broad jump for his three firsts. Milligan, of Arlington, ran him a close second with firsts in the shot and high jump and a 2nd in the discus for thirteen points. Hill of Riverside, won two events, the mile and the half mile runs, and Pomplum, of Bensenville, won the low hurdles and tied with Briggs of Arlington, for the highs. These were the only double winners.

Both Arlington and Riverside had more men take part in the actual scoring than did Bensenville, but didn't have the strength to cop enough firsts to win.

Some of the events brought out some mighty fine performances for so early in the season as a perusal of the summary will show. Especially is this true of the track events since the track was quite muddy in spots.

Boxing Champs
For the past three years Grant High of Fox Lake has had boxing as an interschool sport and under the capable coaching of Louis Orr has had at least one individual state champion every year. This year Grant had two boys win state titles in the tournament held recently at Morton high of Cicero.

Glenn Renehan, won the lightweight title and John Chouske took the middleweight championship. Francis Renehan won a state title in 1938 and George Simms was a winner in 1939. That is quite a record for a school of 240 students. Orr used to be an outstanding wrestler and boxer himself at Iowa State Teachers College.

Northeast Alumni Score
Alumni from several of the Northeast Conference schools scored points in last Saturday's dual meet between the University of Chicago and Northern State Teachers of DeKalb. Jim Ray, former Libertyville star, took first in the high jump and low hurdles and second in the broad jump for Chicago. For DeKalb Bell of Woodstock won the javelin throw, Skala of Crystal Lake took the two mile run and Behan of Crystal Lake was third in the shot put.

Wins Scholarship
Vance Wilson, Crystal Lake miler, has been awarded a scholarship at Cornell College, Mt. Vernon, Iowa. Wilson was Palatine Relays and State District champ in the mile last year and a sure repeater this year according to the dope.

Evanston Varsity Nine Conquered By Arlington

Bruhke Pitches 4 Hit Game As Cards Win, 5-1

The 1940 baseball season opened auspiciously for Arlington's Cardinals as they beat Evanston's varsity Tuesday on the latter's diamond by a score of 5-1. Bob Bruhke limited the Evanstonians to four safe blows while setting six men down on strikes. His teammates came up with seven hits, some of them at very timely moments. Good support through most of the game made Bruhke's task easier.

As a preview of the 1940 conference campaign, the game showed Arlington's veteran infield looking even better than it did last year. Mel Garms caught the kind of a game needed if he is to fill the vacancy left by the graduation of Captain George Gross. In addition he hit twice, drove in two runs, and scored one. Six outfielders, including veteran Bob Firnbach, showed their wares. From these can be chosen a first class outfield which will hit and field more than satisfactorily.

The showing of Bruhke assures Arlington of two of the top pitchers in the conference, as Bob Busse, ace of the league last year, is back for one more season. He had control, an assortment of pitches, and the poise that comes from experience.

Arlington meets Hyde Park of Chicago on Saturday, April 20 in a morning game at Recreation Park.

Bensenville Frosh-Sophs Defeat Palatine

Bensenville's Frosh-Soph track team defeated Palatine on the Bisons' track Tuesday afternoon 58-50. Palatine had a chance to win the meet by taking both the relays but blew a 10 yard lead in the Freshman 440 event and lost. Palatine's Sophomore quartet ran the 440 relay in 50.6 seconds which was very good time considering the condition of the track. Birks, Warder, Schwolew, and J. Cipri made up the Pirate relay team.

Reitz of Bensenville with first places in the shot, discus, and 220 yard dash scored 15 points to lead the Bisons in their victory. His best mark was 108 feet in the discus throw. Moss and Escoria were second in the Bensenville scoring with eight points. Bensenville won all three places in the low hurdles.

Kenneth Birks scored 18½ points for Palatine. Birks won the broad jump and 75 yard dash, tied for first in the high jump, took second in the shot put, and ran on the winning relay team. J. Cipri was second in Palatine scoring with 9½ points. Twelve boys scored points for Bensenville while nine boys tallied for Palatine. Metz and Langhoff, two of the best Palatine boys, did not compete due to illness.

Palatine Arlington Track Meet Friday

Pirates Have Never Beaten Arlington Varsity Team

One of the close track meets of the season is due today when Arlington comes to Palatine. The Pirates have never beaten an Arlington varsity team in track but should have an outside chance to win this year.

With the exception of the hurdles, high jump, and the weight events, Arlington's team is not nearly as well balanced as usual. Grose's material is to a great extent inexperienced. He will have a fine team in a year or two but lacks the number of veterans necessary to early season success.

Back Siphonage in Plumbing
Back siphonage in plumbing fixtures is caused by a sucking of waste or drainage matter from the fixture back into the fresh water pipe where it constitutes a serious threat to the purity of the household water supply. It is usually a case of cracked or faulty fixtures, or faucets that are so low they may be covered by the water level in the fixture.

Special Telephone Directories
Telephone companies in more than 20 American cities have special directories, for lease to anyone, in which subscribers are listed according to street address instead of alphabetically by name, says Collier's. In New York this service, which includes a new book every six months for each of the five boroughs, costs \$270 a year.

Hollywood Dams River To Make It Wide Enough For "Northwest Passage"

It remains for Hollywood technicians to do what generals have seldom, if ever, attempted to do—divert a river to build a fort. The feat was accomplished on the Payette River, thirty miles from McCall, Idaho, for "Northwest Passage."

sage," Technicolor adventure film starring Spencer Tracy on the Catlow Theatre screen Thursday, Friday and Saturday. Location scouts found a site which was exactly like the historic Fort Wentworth, except that the river was not wide enough. So workers dammed up the river a quarter-mile below, making it 250 feet wide instead of a narrow stream, then built the fort at the edge.

George Raft, William Holden, Jane Bryan and Humphrey Bogart head the cast of "Invisible Stripes," the next offering at the Catlow Theatre, starting Sunday. The impelling message of the story is the dilemma of a parolee, branded by invisible stripes.

Without question, it is motherhood. For the average woman, it is her one chance in life to be a heroine. And it is a subject that fascinates all women, and men, too. Even the woman who professes to dislike maternity and its responsibilities is interested secretly, if not openly. That's why Mary McDougall Axelson wrote "A Child Is Born."

During the seven weeks that Mrs. Axelson was in a hospital, following the birth of her daughter, she kept a diary, and it is on this diary that her story is based.

In bringing "A Child Is Born" to the screen, Warner Bros. have used the utmost delicacy in handling its sensitive theme, yet have given it vivid realism. All the drama, pathos and humor that is attendant upon the beginning of life are incorporated into the unusual photoplay, which is brilliantly enacted by a cast headed by Geraldine Fitzgerald, Gladys George, Jeffrey Lynn, and Gale Page. Lloyd Bacon directed from a screen play by Robert Rossen, based on the novel by Mrs. Axelson. "A Child Is Born" will be at the Catlow Theatre Wednesday and Thursday.

"Fighting 69th" and New Hardy Film, Des Plaines

On Sunday one of the biggest double feature combinations of this or any other season opens for a four-day run at the Des Plaines Theatre. "The Fighting 69th" with James Cagney, Pat O'Brien, George Brent and other prominent stars, shares honors on the program with "Judge Hardy and Son" featuring the favorite family group of the screen, Mickey Rooney, Lewis Stone, Cecilia Parker and Fay Holden.

Currently the Des Plaines Theatre is offering a triple hit show consisting of "Joe and Ethel Turp Call On The President" with William Gargan and Ann Sothern, plus "Flying Deuces" with the two dunces, Laurel and Hardy, plus "The Vatican of Pope Pius XII," showing for the first time in motion pictures, a complete film record of the Holy City inside Rome.

Doug Fairbanks Jr. Knows Jungle Lore

Douglas Fairbanks, Jr., tells of many Indian tribes in the Amazon jungles known as Green Hell, who hold tobacco and liquor as sacred and miraculous because of their effect on the human body and mind. Doug, Jr., learned much authentic South American Indian lore due to his work in Famous Productions' "Green Hell," in which he stars with Joan Bennett. This jungle thriller, released through Universal, comes Sunday, Monday, Tuesday, and Wednesday to the Palatine Theatre.

day, and Wednesday to the Palatine Theatre.

"Green Hell" is co-featured with "Everything Happens at Night," Sonja Henie's latest 20th Century-Fox picture is thrillingly different from anything this famous star has yet done on the screen and makes plus entertainment for anyone. With the aid of Ray Milland and Robert Cummings, who as a pair of enthusiastic young reporters after a big scoop fall for Sonja simultaneously, there is an excellent comedy note injected.

The timely story centers on an exiled statesman starting the world with his revelations and pleas for peace from his Alpine hideaway. Darryl F. Zanuck selected Irving Cummings to direct, and this screen veteran has given an enjoyable picture every one ought to see.

Medieval Mummies

Mummies were bands of men and women in medieval times who during periods of public festivity, particularly at Christmas, dressed in fantastic clothes and wearing masks, or disguised as animals, serenaded outside homes and in the public squares. The practice seems to have been a survival of the Roman custom of masquerading during the Saturnalian orgies. Mummification led to such outrages in England in the sixteenth century that Henry VIII issued a proclamation declaring the wearing of a mask or disguise a misdemeanor.

Religion in Japan

Japan has no state religion and all faiths are tolerated. The principal forms of religion are Shintoism with 13 sects and Buddhism with 12 sects. There are 110,582 Shinto shrines, 106,518 Buddhist temples and 2,013 Christian churches. The Roman Catholics have an archbishop and three suffragan bishops.

Balloons in Warfare
The French were probably the first to recognize the value of balloons for war purposes, a special study being given to the subject during the French revolutionary wars. Reconnoitering balloons were subsequently used in the French campaign in Italy in 1859. During the siege of Paris (1870-71), communication was effected between the besieged and the provinces by means of balloons carrying pigeons which were liberated to bring back news. Military balloons were used in the United States by the Federals during the Civil war.
